RETURN SERVICE REQUESTED

As merchants in ancient times traveled through foreign lands, it became obvious how dangerous the journey could be. Using an established trading route such as the SILK Road helped them be successful as they wound their way throughout the countries of Asia. This summer at Trailhead, come join our caravan of adventurers as we experience the diversity of Asian culture through unique activities, games, food, and chapel services! Just as the SILK road helped merchants with planning the best route, so you will have the opportunity to learn truths from God's Word that will help you be successful on the path God has established for your spiritual journey. Bring yourself and your friends to what could be the adventure of a lifetime when you become "Sojourners of the SILK Road!"
